Acme Logistics Pvt Ltd.
Vehicle Maintenance Policy
Effective January 01, 2027

2. Replacement Period:
2.1. The vehicle may be replaced on completion of seven years of life.

4. Consumables and Parts Replacement:
4.1. The company will accept the replacement of oil and filters after every 4 months or 6000km, whichever is earlier.
4.2. The company shall provide one-time seat covers subject to a maximum budget of PKR 15,000 per vehicle.

4.3. The company will waive off the employee for the first three accidents during employment. Minimum eighteen months time must lapse between the accidents for the waiver. Any other repairs or maintenance costs (excluding consumables) would be shared as 70% by the employer & 30% by the employee.

7. The Admin department will inspect each vehicle on a quarterly basis in March and September.
